

# Let the World Be Filled with Love

## 让世界充满爱

Gently holding your face  
Brushing away your tears  
This heart of mine forever belongs to you  
Tell me that you no longer feel lonely

Gazing at your eyes  
No more words are needed  
Holding your hands tightly  
This warmth remains unchanged

We rejoice and suffer together  
We embrace the same expectations  
We brave the same storms and undertake  
the same pursuit  
We treasure the same kind of love

Whether we knew each other before  
Whether we are close or afar  
Sending you my sincere wish  
Wishing you peace with everything you do

轻轻地捧着你的脸  
为你把眼泪擦干  
这颗心永远属于你  
告诉我你不再孤单

深深地凝望着你的眼  
不需要更多的语言  
紧紧地握着你的手  
这温暖依旧未改变

我们同欢乐我们同忍受  
我们怀着同样的期待  
我们同风雨我们共追求  
我们珍存同一样的爱

无论你我可曾相识  
无论在眼前在天边  
真心地为你祝愿  
祝福你事事平安
